

G.P.Grant Group Press Release

Luxury Interiors & Accessories – Masterpieces in Stone, Crystal & Design

About Us

Founded in 2000 in Switzerland, **G.P.Grant** began by creating exclusive artworks for interiors from rare gemstones, minerals, crystals, exotic woods, and noble metals. From the very beginning, the company combined **design studio creativity** with **exceptional craftsmanship**, producing unique pieces that transcend time.

Today, G.P.Grant has evolved into a **multi-profile luxury group** specializing in bespoke accessories, stone furniture, composite stone panels, and complete cigar lounges and shops delivered *turnkey*.

Mission & Philosophy

Our mission is to create not only exclusive and attractive works of art, but to give them **functionality** and **timeless value**.

In a world full of mass production, we stand for:

- **Exclusivity** – each creation is a unique masterpiece
- **Craftsmanship** – preserving artisanal traditions over machines
- **Quality** – uncompromising standards in every detail
- **Style** – blending art heritage with modern design

For true connoisseurs, G.P.Grant offers not just products, but **creations that embody beauty, rarity, and meaning**.

Divisions of Excellence

Luxury Accessories

- Ultra-premium cigars and smoking pipes
- Exclusive humidors and iconic ashtrays
- Crystal glassware & fine porcelain
- Luxury jewellery and lifestyle accessories

Stone Furniture & Interiors

- Bespoke furniture crafted from marble, onyx, obsidian, and semi-precious stones
- Custom bars, tables, lighting, and décor elements
- Unique interiors blending art and architecture

DURAMICA Composite Panels

- Ultra-thin, lightweight stone panels for facades and interiors
- Product lies: DuraSkin, DuraMet, DuraStone, FoamGlass, GlassOnyx
- Exclusive surfaces crafted from mother-of-pearl, semi-precious stones, and premium obsidian
- Unlimited natural stone faces with innovative technology

Turnkey Cigar Lounges & Shops

- Complete design and build solutions for private and commercial cigar rooms
- Integration of furniture, accessories, humidors, and décor
- Retail concepts where every item on display can be purchased or ordered

Our Manufacturing Facilities

G.P.Grant & DURAMICA operate a network of specialized factories across Europe and Armenia, each focusing on unique expertise and materials.

- **France** – Exclusive workshops for **wood, humidors, crystal and porcelain masterpieces**.
 - **Germany** – High-tech engineering facilities for **precision metalwork and advanced components, jewellery**.
 - **Italy** – Dedicated ateliers for **woodwork, bespoke humidors, and stone furniture design**.
 - **Armenia** – Unique **obsidian quarries and stone fabrication facilities**, where rare volcanic glass and minerals are transformed into panels, furniture, and accessories.
-

Bespoke Creations

At the heart of our philosophy lies **tailor-made design**.

We create custom-made humidors, vitrines, accessories, and entire interiors that reflect the individuality of each client. Every piece is crafted as a **one-of-a-kind masterpiece**, combining traditional artistry with modern luxury.

Depending on the project, our **commercial humidors** are produced in **France, Italy, or Germany** to ensure the highest standards of quality and precision.

Commercial Cigar Lounges & Shops

With decades of experience in designing **private cigar rooms**, we have expanded into creating **commercial cigar lounges and shops**.

Our turnkey concept integrates:

- Elegant interiors & stone finishes
- Bespoke furniture & accessories
- Exclusive humidors, ashtrays, and smoking collections
- Retail opportunities – everything in the lounge can be purchased directly or ordered

This unique model blends **lifestyle, exclusivity, and profitability** for both private and commercial clients.

Partnership & Distribution

We have expanded our production capacity and are seeking **regional distributors and partners worldwide**.

Partnership opportunities include:

- Distribution of **DURAMICA stone panels**
- Representation of **G.P.Grant accessories and collections**
- Collaboration on **turnkey cigar lounge projects**

Become a partner in bringing timeless luxury to your region.

Closing Statement

G.P.Grant & DURAMICA unite **artistry, craftsmanship, and innovation** to create products and spaces that define **contemporary luxury**. From rare materials to bespoke interiors, every creation is an **exceptional masterpiece for true connoisseurs**.

We also operate our **own design bureau in Switzerland**, ensuring the highest level of creativity and project execution.

The **catalogues with detailed information can be downloaded here**, and this material is also required to complete the presentation:
