GRANT PETROSYAN
FOUNDER, DESIGNER

G.P. Grant began its history with the making of exclusive artworks for the interior from very rare and precious and elite gemstones, minerals and crystals, fine and exotic wood, noble metals. At the same time, the company worked as a design studio creating original industrial design, design of home furnishings and interiors. The company performed very difficult and exclusive orders of hewing elite stone types, giving unique beauty to each product. Artworks, created with so much imagination and soul are comparable to works of art.

MISSION

Our mission is not only to create exclusive and attractive design and artworks, but also to give them functionality. The market is overloaded with items of mass production some of which are also named luxury. The mission of G.P. Grant is creation of exceptional luxury exclusive artworks with original design. Today, we create artworks that attract with their luxury, masterful embodiment and their functionality. G.P. Grant is devoted to its philosophy and focuses on quality, style, functionality and exclusiveness.

Today at the age of progress, high technology and machines, we lose the art, which was created for centuries by masters from gifts of the earth. For true art connoisseurs and people seeking beauty it is not necessary to seek antiques. Art can also be created today. G.P. Grant embodies the art of today. Our products are made by and for connoisseurs and have the best quality and highest exclusivity within their category.

Funktion och skönhet för blott 25 000 euro...

Vad sägs om ett skrin med fyra pipor av ädla träslag och med inslag av diamanter, safirer, silver och guld för runt 25 000 euro? Matchande manschettknappar ingår också.

FOTO TORBJÖRN LINDEN

ALLT ÄR UTFÖRT med ypperlig hantverkskänsla och finish – och för att bidra med skönhet och värde. Bakom en disk med exklusiviteter för rökare står Grant Petrosyan, grundare och kreativ chef för det schweiziska företaget G P Grant GmbH, Schweiz. Han skapar konstverk med design bortom det traditionella då det gäller tillbehör som rökare kan vilja önska sig som askfat, pipor, humidorer och tändare. ■ ÅH

Exclusive jewellery pipes set FOUR SEASONS 50 000 EUR

Swedish Tobacco magazine wrote about Exclusive Set of Jewelry Smoking Pipes. Pipe cubes are made of solid gold and platinum and are decorated with diamonds, rubies, emeralds and sapphires. The jewelry set would be sold at auction for 50 000 euros at initial cost of 25 000 euros. The set is released in additional version, which is complemented by jewelry cufflinks to each pipe. The cuff links are also made of solid gold and platinum and are decorated with precious stones.
